Dear John:

Congratulations to Morgantown on renewing your Bicycle Friendly Community designation at the Bronze level. This award is presented only to communities with strong commitments to bicycling. The award will be current for four years, so your designation will be up for renewal in 2020.

I have enclosed your award certificate.

If you would like to order additional Bicycle Friendly Community road signs or materials, please visit the League store at www.bikeleague.org/bfcstore.

Once again, congratulations on your efforts to create a great Bicycle Friendly Community. Thank you for your continued engagement with the Bicycle Friendly Community program and the efforts that you are making to improve conditions for people who bike.

Best Regards,
