

Leading the renewable energy revolution

ASES National Solar Tour

www.NationalSolarTour.org

The world's largest grassroots solar event is coming to town

Get ready to be inspired! Join more than **150,000 people in 3,000 communities across the U.S.** by participating in the ASES National Solar Tour. Attend open-house tours to see how neighbors are using solar energy and energy efficiency to reduce monthly utility bills and to help tackle climate change – and how you can too.

This fun event is coming to your community so get involved and invite your friends to join the largest grassroots solar event in the world (details below).

www.NationalSolarTour.org

The tour will run from noon-4pm, but look for OPEN HOUSE signs in the yards of participants.

Any people interested can find out more information at www.morgantowngreenteam.org/iebg.html, www.eco-mod-structure.com, or by calling John Garlow at 304-276-3655.

Tour greater Morgantown solar buildings from the 1950s to present,
