

BOARD MEMBERS WANTED

Getting the people of Morgantown moving on bikes since 2005

Embrace the fun of bicycles! Help us to educate, encourage, and empower a vibrant and inclusive cycling community through our non-profit bike workshop and related programming.

We're looking for a few talented and conscientious board members to lead and strengthen our organization as we transition to our new location on the Caperton Trail in Morgantown. If you can contribute your time, thoughtfulness, and leadership one evening a month, e-mail us to find out whether this volunteer opportunity is right for you:
